Employer's Satisfaction with the Graduates' Skills and Competencies

Results of analysis
2022 for DENTISTRY program

The Report Draft: Office for Quality Assurance

The Employer's Satisfaction with the Graduates' Skills and Competencies is conducted with the graduated in Dentistry program, once a year.

Result report

Number of respondents: 6

Method of realization: with the Questionnaire for Employer's Satisfaction with the Graduates' Skills and Competencies

The evaluation of the graduates from the survey of employers-2022 shows that the general satisfaction of the employers with the quality of the skills and competences achieved by the graduates was evaluated with an average grade of 4.3+/-0.5. We would like to increase our target which should be (5.0) and work towards its achievement with the cooperation of the staff and administration of the College.

Descriptive statistics

Item	Statements	Mean	SD
1	The theoretical knowledge of the employee is very good and contemporary	4.0	0.6
