

| Curriculum Vitae | |
|----------------------------|--------------------------------------------------------------------------|
| 1. Surname: | Topçiu -Shufta |
| 2. Name: | Valdete |
| 3. Nationality: | Albanian |
| 4. Country: | Kosova |
| 5. Date of Birth: | 30.05.1958 |
| 6. Gender: | Female |
| 7. Contact: | |
| <i>Email:</i> | valdete_topciu@yahoo.com |
| <i>Tel:</i> | +37744220589 |
| 8. Education: | |
| <i>Institution:</i> | Medical Faculty, University of Pristina |
| <i>Graduation :</i> | 16.09.1983 |
| <i>Diploma :</i> | Physician |
| <i>Institution:</i> | Medical Faculty, University of Pristina |
| <i>Graduation :</i> | 29.10.1995 |
| <i>Diploma/Master :</i> | Master of Medical Sciences |
| <i>Institution:</i> | Medical Faculty, University of Pristina |
| <i>Graduation:</i> | 14.04.2009 |
| <i>Diploma/Doctorate :</i> | Doctor of Medical Sciences |
| <i>Institution:</i> | Clinical University Centre, Clinic of Medical Biochemistry |
| <i>Graduation:</i> | 27.01.2000 |
| <i>Diploma :</i> | Specialist of Clinical Biochemistry |
| 9. Academic Title: | |
| | 2012 Assistant Professor |
| | 2018 Associate Professor |
| <i>Institution:</i> | University of Prishtina, Medical Faculty, Clinic of Medical Biochemistry |
| <i>Current Title :</i> | Associate Professor |

Academic Textbooks

| | |
|-----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1. | Author of Chapter 31 “Referent Values of Biochemical and Hematologic Parameters in Infants” of University Textbook, Mehmedali Azemi and Mujë Shala with co-authors “PEDIATRIA” – 2010 |
| 2. | Editor and Translator of University Textbook: Allan Gaw with co-authors “Clinicla Biochemistry”, 4th Edition - 2012. |
| 3. | Authors of chapter „Radioimmunological Methods“ of University Textbook, Ramë Miftari and Xhavit Bicaj “Nuclear Medicine” Prishtina, 2015. |
| 4. | Author of Monography „The Importance of Biochemical Parameters in Diagnosis and Prognosis of Acute Pancreatitis“ Prishtina 2018. |
| 5. | Author of chapter: “Lipid Disorders in Uremia” of University Textbook, “Cellular Metabolism and Related Disorders” IntechOpen LONDON, UK 2019. |

Abstracts from International/National Conferences
